Presidents Report: by Sean

Greetings Corvetters,

Welcome to the October Newsletter.

Recently, I have had conversations with several members who have expressed concerns about comments made during Club events by other members. While these incidents have been extremely rare, it is important to remind everyone of our Club's values.

Our Club is unique among car clubs, with a significant percentage of female members and individuals from diverse backgrounds and professions. Members should be particularly mindful of this diversity during meetings and outings. When the Club is out and about in public and members are proudly wearing their Corvette Club of SA gear, it is clear who we are, and we all become ambassadors for the Club and Corvette owners in general. If you are having an intentionally private conversation, please keep it private and avoid broadcasting it to everyone within a 5-metre radius.

The Corvette Club prides itself on being a warm and welcoming environment. The presence of four (sometimes five) female members on the Committee is a testament to this.

I kindly ask all members to use respectful language whilst in a club environment to maintain the high standing that the Corvette Club has achieved over its 50 years. President Sean

Hey everyone, just a reminder - when on any of our Club runs, please NO HOON DRIVING.

In fact, we have zero tolerance to it as you are representing the club when we are out in a group. Thanks.

It's that time of the year to start preparing for the annual Bay to Birdwood event.

This year it will be held on the **Sunday 19th Oct**.

Registrations for cars made before Dec 31st 1995 open on the 7th July.

Get in quick as the 1500 spots fill up quick.

They have "early" which
covers pre 1956, and "late" age brackets,
1956 ish and up.

I will again be doing my usual very early morning
meet up and group get together.

More details to follow as we get closer.

FROM THE EDITOR:

Hey, let me know if you would like your Vette to feature as Car of the Month in the Newsletter & Club Website.

Put together a write up on your car and the cool story behind it and email me this with some great photos.

ALSO

Ruthie and I are going travelling next year for 12 to 18 months. I'm happy to continue on as Editor while on the road... but... If you have the desire to help out and take on the role of Newsletter Editor for this period, I will not argue. Its easy. It's fun and it'll free up more fishing time for me. Let me know if you're interested.

Adelaide's Two Feet & A Heartbeat takes place alongside the beautiful River Torrens, right in the heart of the city. The walk commences from Park 12 South Bank on Victoria Drive, in front of St Peter's College Boat Club. From here, we will walk past some of Adelaide's most iconic landmarks including Adelaide Oval, Elder Park, and the Riverbank precinct. Free parking is available along War Memorial Drive, just a short walk across the bridge to our event setup. Paid parking options are also available nearby our setup on Victoria Drive.

Bring a blanket or chair, and enjoy the pre and post walk activities.

Bereaved families are invited to bring a photo of their Heart Angel for our memorial table as we honour their memory.

The Adelaide walk is hosted by proud HeartKids' Ambassador and Presenter for ABC's Behind The News, Wren Gillett.

Registrations for Adelaide close on Sunday 12th October.

Get your walking shoes on again to support Heart Kids, our charity.

2026 Corvette Nationals - Noosa Heads

Event dates Friday 20th to Monday 23rd March 2026

Proposed Road Trip for SA Members

For those of you who are giving consideration to attend this special annual event, the following is being considered and with **your advanced input, to me by 30th November 2025 for the overnight travel arrangements** will ensure appropriate advanced bookings can be made.

For the full National program put together by the Queensland Corvette Club refer to their document included in this newsletter and on our club web site.

Three overnight stops are proposed driving to the event with the option to either leave -

- On the Monday 16th to arrive Thursday 19th. This gives a brief break before the busy weekend. From previous experience this is the preferred time manageable way.
- Or on the Tuesday 17th to arrive Friday 20th and on that day also pick up your entry bag and Corvette preparation.

To travel as a group, particularly on a long trip as this, does not only give support to each other but is a great social event to share stories along the way.

The overnight stops will be - Hay 655kms, 7hrs. Coonabarabran 676kms, 7hrs. Warick to Noosa 298kms, 4hrs.

These distances take into consideration comfortable travelling times as well as for the older Corvettes which do not have the same creature comfort as those younger ones.

Once I have your expressions of interest's, I will make the appropriate motel bookings for the type of accommodation required and you pay the establishment on check out.

As a guide an overnight stop is approximately \$180 but this will vary dependent on the establishment and how many rooms are booked.

In reviewing the accommodation prices at the Nationals I have booked seven rooms at the Noosa Heads Motel which is 1.5kms away from where the Nationals are being held.

At this stage all rooms have been taken and if additional rooms are required at this establishment, they will be more expensive than shown above.

For your return trip home, it will be up to you to make your own arrangements.

Contact me either by phone 0428394710 or dellter@adam.com.au. John Randell

The day was for our friend Graham GRAHAM JOHNS MEMORIAL RUN

Back in May, the club lost a beloved member. Graham Johns was a member you heard before you saw. Loud & proud was our Graham. He never took life too seriously but this is what endeared him to me and we became good mates. Wanting to organise a Graham Johns Memorial Run in his honour, I thought I would take inspiration from the last run Graham & Debbie did. This was to start at the Repco Marion store and ending up at the Bridge Hotel, Langhorne Creek.

Unfortunately we had to cap the numbers due to seating constraints at the hotel but we still had our 38 members show up on the morning. I'll even credit Graham for turning on the superb weather for the Sunday so all was set for a great day.

Heading down the Southern Expressway and onto South Rd, then into Mt Compass. On the way, disaster was narrowly avoided when a solar panel from a caravan driving in front of Gary & Cathy came loose and flew off almost landed on them. Not the recommended way to get yourself a Eray C8 vette!

Once the Mt Compass public toilet, café and bakery were taken advantage of, we continued through town and onto Strathalbyn and then to Langhorne Creek. The pub was ready for us and we all enjoyed a great meal with plenty of laughs, a drink or two, stealing cake from the blind kids sitting at the next table, before heading for home. I'm sure this is what Graham would have wanted. There were a couple of U turns made, but no one broke down and hopefully Graham was looking down on us with a big smile on his face.

Our membership officer Gary McPhee is after your help.

There are many of you, who since joining the club, have either sold your car, brought a replacement car or a second car.

Some of you have provided updates on the car or cars that you now have in your possession. We would like to update the club records of members cars.

If you have not provided an update on your car or any part of your personal details that may have changed (ie. address, contact details or email address), it would be greatly appreciated if you could please fill out the membership form that is available on the club website with any new details and

returning that form to Gary via email.

CLUB EVENTS: IF YOU HAVE AN AMAZING IDEA

As Events Coordinator, I know everyone is busy from month to month with friends and family commitments etc, but we are always looking for ideas from club members involving runs, dinners, weekends away or any other events as a social outing.

The clubs aims at holding two events per month (usually 1 run & 1 dinner).

So please contact me to assist planning your amazing ideas.

The structured events will then be published in our monthly newsletter and club website for all to be made aware of dates and details .

Regards Goof PH: 0417 869 368

SOMETHING TO KEEP IN MIND

We kindly ask that if you plan on attending a club run or dinner, it is important that the organiser is informed beforehand on who is coming.

When members turn up on the day without doing this, it often causes an issue with seating and potentially catering.

Be sure to always notify us of your planned attendance.

Welcome to our new member

PARTING PIC

I got pulled over by the police around 2.00am last night. The officer asked "Where are you heading at this hour?" I said, I'm on my way to a lecture about the effects of alcohol abuse, smoking and staying out late" He looked at me surprised and asked, "Oh really? Who's giving a lecture at this time of night?"

I replied "THE WIFE"
